- Capable of giving good feedback
- Team leading
- Serious commitment
- Problem solving
- Flexibility
- Professionality
- Motivation
- Creativity
- Resistance to stress
- Attention to detail

### SimRacing (from 2014 to 2020)

Trough 2014 and 2020, Gianfranco has been racing in several online simulation (sim) racing championships using rFactor 2, Assetto Corsa, Assetto Corsa Competizione, RaceRoom, F1 codemasters and Gran Turismo.

Gianfranco has never raced in real life before with anything more powerful than a go-kart in a friendship race, however along the way he has raced against and was able to beat in the simulator real racing drivers who also indulge in sim racing as a hobby.
